Dear Floral Street School Families,

Please help us save money. In order to save on paper and copying costs, we ask that you subscribe to our school's "list serv" e-mail list. Notices that are created and sent by Floral Street School will also be sent via this e-mail list. In order to get on the list, you must sign up on our homepage at www.shrewsbury-ma.gov/schools/floral (look for the mailbox). **We are asking that all families complete and return the form on the back so that we know how you wish to receive information from the school.** While some paper notices will continue to be sent home in the Communication Folder on the first day of each week, we will be working to provide electronic information or web links via e-mail as frequently as possible. Besides saving resources, you can be sure to get the information you want and need delivered to your computer (instead of finding it in the bottom of a backpack!).

Our school district will continue to face challenges regarding funding and resources. While the cost-savings from this effort may be comparatively small, we believe this is another way we can continue our efforts to be fiscally responsible. We would appreciate your support.

Respectfully,

Joseph M. Sawyer
